WHAT MAKES IPSO CONNECT YOUR IDEAL PARTNER ?

It's simple: We understand that when you have the facts—all the facts—there's no limit to what you can accomplish with your business. Our intuitive interface and easy-to-use tools, including a dashboard to see all the aspects of your business, gives you maximum oversight which, in turn, leads to maximum efficiency, and of course, maximum profit.

IPSO CONNECT DASHBOARD

- Interactive dashboards that show revenue, turns per day and a host of other values.
- Exportable Excel stats of the machines usage and performance for further analysis.
- Customizable date range to allow view by day, week, month, etc.
- Reset washing and drying machines if they are blocked.
- Manage the lights, fences and more, if they have been connected to the gateway device.

*Images and displays related to dashboard and app screens are indicative and subject for change based on software evolution.

FOR YOUR CUSTOMERS
